## Kingfisher and Goldfinch Class

Autumn Term 2025-2026

#### Welcome back Year 3!

We hope you have all had a wonderful and restful half-term break. The children have made a fantastic start to the year - we've been so impressed with how well they have adapted to key stage two and the challeneges this has presented. This half term looks set to be a busy and exciting one, filled with festive activities, new learning experiences and plenty of opportunities for the children to shine.

#### Attendance and Punctuality

Every minute is meaningful! Regular attendance ensures your child can keep up with learning and fully enjoy school life.

#### Physical Education

P.E will continue to be on a **Tuesday** and **Friday** this term. P.E kits should be brought in on a **Monday** and will be sent home on **Friday** to be washed.

#### Online Safety: Being Smart with Screens

As technology evolves, so does the need to help children use it safely and positively. Through our computing curriculum, we teach children about "Digital Balance" — understanding how to enjoy technology safely without letting it take over our free time.

At home, you can help by:

Talking regularly about what your child enjoys online and who they might be chatting to (even in games).

Using BBC Own It and Childnet for fun videos and games that teach safe online habits. Encouraging "tech-free times" — for example, no devices during dinner or before bed. Setting up devices with child-safe settings and age-appropriate content filters.

## The Importance of Home Learning & Reading

We can't emphasise enough how much difference a few minutes of daily practice makes!

**Spellings** - New spellings go home at the beginning of each week and will be **tested on Friday**. Practising little and often is the best approach — just a few minutes a day builds long-term memory.

Time Table Rock Stars - Thank you to everyone who has been using TTRS at home. It's fantastic to see children growing in confidence with their times tables and mental maths. Aim for 10-15 minutes a few times a week — those short bursts really add up!

#### Reading

Regular reading at home will support your child in all areas of their learning. In school, we want children to ask questions, to wonder, to be curious and express their interests. Their book should challenge and expand on their vocabulary knowledge. Children must be reading at least **three** times a week for **10 minutes**, which needs to be recorded in their reading record alongside an adult signature and optional comment. Reading records will be collected daily to reward them for reading, and it allows them to move up the Reading Challenge!

Our library day is Monday.

#### **Diary Dates**

These may change or be added to throughout the course of the term. Please check on the school website and newsletters for any changes.

#### Thank you

As always, thank you for your continued support — it truly makes all the difference. If you have any questions or would like to discuss your child's progress, please don't hesitate to get in touch via the school office or speak to us after school.

We're really looking forward to another fantastic half term with your children!

Yours faithfully,

Miss Sumner Kingfisher Class Teacher
